Research programme

Please give further details, in not more than 300 words, of your present or intended research programme. Specify the necessary expenditure for which you seek assistance, listing individually items such as books, music, and microfilms, and giving the present cost of each. You should certify that the items you require, including microfilms, are not available through inter-library loan, or alternatively that it is essential for you to have personal copies. Please type or use black ink.
